HW #3

due September 27

In 1-2 pages, briefly describe the topic that you are planning on writing your term paper on. A few questions that you might want to consider:

1. Why is your topic useful in better understanding the Great Recession, covid-19 recession, or related event?
2. How will your topic go beyond what was/ will be discussed in class?
3. If you intend to do your own empirical work, what data will you use?
4. If you do not intend to do your own empirical work, what sources might you use to support your arguments.
