

Economics 313, Winter 2019, Midterm

The midterm is a take home. To give students flexibility, I am allowing you to choose when you take the exam. The exam will work as follows:

1. Students may start the exam anytime between 5 PM on 1/14/19 and 5 PM on 2/27/19.
2. Students have 48 hours to complete the exam.
3. Your exam will consist of one question related to recent class material. The maximum length of the exam is 6 pages. The format and submission requirements are the same as for the final paper. Each student will receive a different question.
4. You must provide me 48 hours notice that you wish to begin the assignment. I will then email you your question prior to 5 PM on the day you wish to start.
5. You are welcome to ask to begin the exam on shorter notice than described by #4. I cannot guarantee, however, that I will be able to send you your question in time to do so.
6. If you do not contact me, then I will send you your question prior to 5 PM on 2/27/19 and it will be due by 5 PM on 3/1/19.
7. You are expected to complete the assignment individually, you may not seek assistance from anyone else. You are not to discuss your question with other students in the class until you submit it. You must properly cite all references and sources.
